Pilot Exercise

WASP Community Bus

September & October 2009

Following discussions with the W.A.S.P Estate Improvements Committee, Bristol Community Transport is to run a pilot exercise each Friday during September and October for bus trips to Morrisons at Fishponds. Accessible vehicles will be used that can accommodate wheelchair users and others with mobility problems.

The service is a "Members Only" service, and individuals will need to formally register for the "WASP Community Bus" before being able to use the service. Registration Forms are being circulated to those living in the WASP Estate and can either be returned direct to BCT or via Stella Hender c/o 125 Plummers Hill.

BCT and the WASP Committee will review the project towards the end of the two-month pilot exercise with a view to making a service available permanently to the residents of Whitehall Road, Whitehall Avenue, Alder Drive, Sycamore Close and Plummers Hill.
